## Program Benefits

The AMR Racing brand is well-established and known for being the world leader in the manufacturing of off-road racing graphics. Because we have already made a name in this industry, the simple act of posting one of our affiliate banners could yield a significant amount of additional profit for your organization when your customers click through to make a purchase. As an added perk, we have embedded a 10% discount code into your banner to encourage your customers to purchase direct from you.

## How Does It Work?

When you join our affiliate program, you will be supplied with a range of banners and textual links that you may place within your site. When a user clicks on one of your links, they will be brought to our website and their activity will be tracked by our affiliate software. You will earn a commission based on each sale your banner generates. You can login 24 hours a day to check your sales, traffic, account balance and see how your banners are performing. It's just that simple!!

## Program Details

The AMR Affiliate is a commission-type 'pay-per-sale' program. You will receive 5% of each sale you deliver by click through. Just for signing up we will deposit \$10 USD into your account.
